GIVING

Sponsorship and Donation Application

Faith Technologies Incorporated (FTI) and its divisions – Faith Technologies, EnTech Solutions and Excellerate – are proud to be considered for many sponsorship, donation and community involvement opportunities each year. Although we recognize that there are many worthy causes, we have chosen four focus areas to maximize our impact. Through associations with our local communities and fellow business partners, we are proud to support giving in the following ways:

GIVING PRIORITIES Giving should support a non profit 501(c)(3) organization that:

① **Aligns with our corporate values statements:**
   - Uncompromised focus on keeping people safe.
   - Build trust in everything we do.
   - Redefine what's possible.
   - Reward individual results that create team success.

② **Advocates for the furthering of education and skills related to our industries**

③ **Promotes health and wellness for our associates and communities**

④ **Contributes to the sustainability and conservation of our environmental assets**

If your request falls within our Giving Priorities, we ask that you please fill out this request form and allow up to two months for processing. While we understand that many opportunities are for worthy causes, we traditionally limit or decline giving that falls outside of these parameters.
