## SUPPORT THAT EXTENDS BEYOND THE INSTALL

### WARRANTY & SERVICE LEVEL AGREEMENTS

**Product Warranty:** Excellerate products include a standard 1-year warranty covering system components and workmanship, with extended options available.

**Service Level Agreements:** Our SLAs provide worry-free management of all annual and semi-annual maintenance tasks to reduce unplanned downtime and extend product life.

**Training Options:** We offer a variety of blended training for operators and maintainers alike to support safe operation and increased uptime.

**Spare Parts & Kits:** Product-specific spare part kits and individual replacements are available for purchase via our comprehensive parts catalogue.

**Mid-Life Reset Programs:** Product refurbishment, component upgrades and system recalibration services available to delay full replacement costs.

**Remote Monitoring:** Many of our products support remote monitoring to diagnose and resolve issues without a site visit.
